

Birth Year & Season Matrix

The Birth Year Chart below provides an example on how to calculate your age group and birth year.

Example: If Jane Doe was born in 2007, Jane would be in her first year of U15 in our 2020-21 Season. This would be a registration period for play between October 1, 2020 – September 30, 2021. Participants move up an age group in the fall/winter season.
